Graphic Organizer: Where, What, When, Who, Why

Instructions: Fill in the mind map about your personal experience with the Great Texas Drought of 2011. If you didn't experience the drought, brainstorm a time when you were affected by extreme weather conditions. Use the questions provided to help you.

Where did your experience happen? What events occurred? (Weather (Be very specific) conditions, physical signs of drought, etc.) When did these events happen? **Experience with the Texas Drought of 2011** How has the drought affected you, your family, your friends, and anyone else? Who was involved?
