### Learning Interview Techniques: Observe an Expert

Questions	Your Responses	
What evidence can you find that Davies has done his homework? (Write a few words from the question in the box at the right. Ignore the introduction.)		Rollover for a comparison response.
What does Davies say to prompt a response from Peter Laufer? In other words, which comments does he make for the benefit of the listeners rather than his own curiosity?		Rollover for a comparison response.
Which questions does he ask, on the other hand, because he really wants answers to them? Which questions seem to be prompted by his own curiosity?		Rollover for a comparison response.
At what points does Davies change topics?		Rollover for a comparison response.
Which comment does Davies use as a way to say "Keep talking"?		Rollover for a comparison response.
